**Waste Management Environmental Manager to Serve as Co-President for  
Habitat for Humanity**

**Phoenix, AZ---June 30<sup>th</sup>, 2008--**Waste Management of Arizona today announced that Environmental Protection Manager Jim Denson is now Co-President of the Board of Directors for Habitat for Humanity Central Arizona.

Habitat for Humanity of the West Valley and Habitat for Humanity Valley of the Sun Affiliate have merged, and the new affiliate name is Habitat for Humanity Central Arizona. The merger increases the overall capacity of both affiliates to better serve families.

“I’m excited to take on the challenges ahead as we strive to better serve families,” Denson said of his volunteer work with Habitat. , “To me, success is based on the difference we make in our community—every little bit brings us one step closer, one family at a time.”

Denson will serve as Co-President with Lee Mashburn, President of The Mashburn Companies.

About Waste Management:

Waste Management of Arizona and its 980 Arizona employees provide waste and recycling services to nearly 500,000 customers throughout Arizona.

Waste Management Inc, based in Houston, Texas, is the leading provider of comprehensive waste management services in North America. Our subsidiaries provide collection, transfer,

recycling and resource recovery, and disposal services. We are also a leading developer, operator and owner of waste-to-energy and landfill gas-to-energy facilities in the United States. Our customers include residential, commercial, industrial, and municipal customers throughout North America.
